Dear JCC Families,

L'Shana Tova! We wish everyone a very happy and healthy new year.

As one of our goals this upcoming year, we want to expand awareness throughout Broward County of the Soref Jewish Community Center. As a premier social services non-profit organization, we provide childrens' scholarships for our preschool, after school and summer camp programs. Additionally, our WECARE food pantry provides food and medical loaner equipment for Broward residents in need.

Your participation at our programs/events enables us to fund these very important social programs.

As JCC Program Coordinator, I attend a lot of events around town and I am constantly amazed that with our three Broward campuses some people are unaware of our existence. I want to change that. I want everyday, other than Shabbat, to have our halls filled with laughter until the wee hours, have senior programming multiple times a week, or have a child's birthday party celebrated every Sunday at both locations. This is all possible with excellent programming and attendance.

We made great strides in the past year developing new programs at the Soref JCC and we have lots of new exciting programs starting this fall. Please take a look through this program guide and make note on your calendars as to the events you would like to attend.

I look forward to seeing you at multiple events making the Soref Jewish Community Center known around town!

Best Regards,

Stacee Fisher
Program Coordinator

ARMDI and Soref Theater Series

October 14th at 11am
Meet at Soref JCC
Perlman Campus
Plantation

It's 1985 and rock-star wannabe Robbie Hart is Jersey's favorite wedding singer. He's the life of the party until his own fiancée leaves him at the altar. Shot through the heart, Robbie makes every wedding as disastrous as his own. Enter Julia, a winsome waitress who wins his affection. Only trouble is Julia is about to be married to a Wall Street shark, and unless Robbie can pull off the performance of the decade, the girl of his dreams will be gone forever. With a brand new score that pays loving homage to the pop songs of the 1980's, ***The Wedding Singer*** takes us back to a time when hair was big, greed was good, collars were up and a wedding singer just might be the coolest guy in the room.

The Jew Store, & When it Was Our War

By Stella Suberman

Stella was born and raised in a small Bible-belt town in Tennessee to which her family had come in 1920 to open a modest dry goods

store. Her book, *The Jew Store*, is based on her family's experiences in that town. (now in ninth printing)

Stella attended Miami Beach Senior High, and later the University Of Miami, and Florida State College for Women. Being in Miami at that exciting time in our history (WWII) she was able to write a fascinating story *When it was Our War*....receiving rave reviews and Editor's Pick from Publisher's Weekly.

Sunday, November 11th
The Kommandants Girl
By Pam Jenoff

Holocaust expert Pam Jenoff served as vice-counsel for the U.S. State department as well as special assistant to the secretary of the army at the Pentagon. Now she draws on her extensive knowledge of World War II Poland and actual events to craft a gripping debut work of fiction...*The Kommandants Girl*, a novel that chronicles the life of a young Jewish bride during the occupation of Krakow, Poland.

We are also exploring a new location and menu!...stay tuned. If you would like to be a part of our committee, be involved, have ideas you'd like to suggest, we would love to hear from you!

Barbara Brighton as *Joan Rivers*
Can We Talk?

Saturday, December 8th
7:30pm • Perlman Campus

Barbara Brighton is an accomplished actress as well as a singer/comedienne. Her show business career started at 11 years of age in Boston. Since then she has been working in various musicals with such stars as Van Johnson, Chita Rivera, Gretchen Wyler, Molly Picon and many others. Her nightclub engagements have been at the Copa and Latin Quarters in Tokyo, an entertainment favorite in South America, Canada, Australia and Caesar's Palace in Las Vegas, Nevada.

Barbara has lately punched up her performances with sparkling, original stand up bits, including a dead-on impression of Joan Rivers.

Barbara is an exciting singer and complete performer. She's blessed with a big musical comedy type voice that can reach great distances with clarity and range. Her stage presence is dynamic and commanding. When she belts out a song, the audience melts. Seen on several TV series and on some of the best musicals on Broadway, you will be delighted to watch her in action. If you watch "General Hospital," you will certainly recognize her as one of the fixtures.
