COUNTRY WESTERN CHARM AND CHARITY

ALLIGATOR RON BERGERON

Alligator Ron has been a passionate and tireless champion for the restoration, protection and conservation of the Florida Everglades since the 1970's. Appointed by two Governors, he served as a Florida Fish and Wildlife Commissioner for 10 years. Currently, Alligator Ron serves on the Governing Board of the South Florida Water Management District appointed by Governor Ron DeSantis. He also serves as a member of the South Florida Ecosystem Restoration Task Force which is composed of the federal, state, Tribal, and local agencies in connection with restoring and protecting the Everglades.

Over the past 30 years Alligator Ron, with his wife Ali, have raised millions of dollars hosting charitable events at their private ranch for many organizations. His professional success, philanthropic leadership, and his dedication to preserving the Everglades and protecting its wildlife make him the perfect honoree as Humanitarian of the Year.

Cowboy hats off to Alligator Ron!

LET'S MAKE A DIFFERENCE TOGETHER!

Event proceeds support the Soref JCC's WECARE Food Pantry and Children's Scholarship programs, both helping Broward County residents in need regardless of their background.

WECARE annually provides free, non-perishable food to over 10,000 Broward residents who primarily are vetted by social case workers from other non-profit organizations. More than half served are children under 18 and seniors who shouldn't have to choose between food or medicine. Additionally, since 1979 the Soref JCC has distributed over \$13 million of scholarships so children from less fortunate families can attend our high-quality preschool, after school, and summer camp programs.

Together, with support from many individuals, businesses including UKG and Publix, and great Broward County organizations including Jewish Federation, United Way, and Children's Services Council, we are able to make a deep impact throughout our community.
